Notice of Past Violation

Re: Transporting Hazardous Waste in New Hampshire without a Hazardous Waste Transporter Registration

Dear Mr. Kindrick

The New Hampshire Department of Environmental Services, Waste Management Division ("DES") has documented a violation of the New Hampshire Hazardous Waste Rules relative to the failure of T. A. G. Transport, Inc. ("TAG") to obtain a New Hampshire Hazardous Waste Transporter Registration prior to transporting hazardous waste in New Hampshire. On October 21, 2002, TAG picked up and transported hazardous waste from FPL Energy Seabrook, LLC ("FPL") located on Lafayette Road, Seabrook, NH. TAG transported hazardous waste from FPL using New Hampshire Manifest Number NHG0006576. This Notice of Past Violation is to inform TAG that the referenced violation is on file at DES. No further action related to the violation documented in this Notice of Past Violation is required.

This notice is being sent to inform TAG of the violation to help TAG prevent similar violations in the future. Enclosed is a summary that lists the past violation. The corrective action to be taken in the future consists of TAG registering as a New Hampshire Hazardous Waste Transporter. An application packet is enclosed.

DES recognizes that a great majority of the regulated community wants to prevent pollution and to comply with environmental laws. TAG's efforts to correct the referenced violation are appreciated.

A current copy of the New Hampshire Hazardous Waste Rules can be obtained from DES's website at <http://www.des.state.nh.us/rules/hwrules.pdf>, or by contacting the Public Information Center at (603) 271-2975. A current copy of the New Hampshire hazardous waste statute can be obtained from the State of New Hampshire's website at <http://encourt.state.nh.us/ras/html/indexes/147-A.html>.

If you or your staff have any questions regarding this matter, please feel free to contact Tammy Calligandes at (603) 271-3899.

Sincerely,
